

HOUSING PLANNER

\$70,684 - \$75,985 | Full-Time | Exempt | Planning & Community Development

Help Shape Housing Opportunities in a Growing Community

The City of Middleton is seeking a **Housing Planner** to help implement the City's Housing Action Plan and expand housing opportunities for current and future residents. This position blends **planning, project management, policy development, and community engagement**—working with residents, developers, housing organizations, elected officials, and community partners to advance housing affordability and support thoughtful community growth.

If you're someone who enjoys bringing people together, solving complex community challenges, and helping create housing opportunities that strengthen neighborhoods, this is a role where your work truly matters.

What You'll Do

- Lead implementation of the City's Housing Action Plan and affordable housing initiatives
- Manage housing-related projects, programs, policies, and funding opportunities
- Build partnerships with developers, lenders, nonprofit organizations, and public agencies
- Conduct community engagement and education efforts related to housing issues
- Provide support to the Workforce Housing Committee and Community Development Authority
- Advise City boards, commissions, and elected officials on housing policy matters
- Review development proposals and provide housing-related recommendations
- Research grants and funding opportunities that support housing initiatives
- Monitor housing market trends and regional housing conditions
- Prepare reports, recommendations, and policy analyses for a variety of audiences

What You Bring

- Master's degree in City Planning or a closely related field
- At least one year of experience in city planning, affordable housing development, or a related field
- Knowledge of planning principles, development processes, and zoning regulations
- Strong written and verbal communication skills
- Ability to build relationships and collaborate with diverse stakeholders
- Excellent organizational and project management abilities
- Experience facilitating public engagement and community outreach
- Strong analytical and problem-solving skills
- Valid transportation access for job-related duties

What Sets This Role Apart

- Help address one of the community's most important challenges—housing affordability
- Work directly with elected officials, community leaders, developers, and residents
- Shape policies and programs that have a lasting impact on Middleton's future
