

UTILITY CREW MEMBER

\$32.04/hour | Full-Time | Non-Exempt | Public Works

Keep Middleton Running. Build a Career That Matters.

The City of Middleton is looking for a Utility Crew Member to help maintain the essential water and sewer systems that serve our residents and businesses every day. From repairing water mains and maintaining hydrants to operating treatment facilities and responding to emergencies, you'll be part of the team that keeps one of Wisconsin's best communities running. If you enjoy working outdoors, solving problems, operating equipment, and taking pride in hands-on work that makes a real difference, this could be the career you've been looking for.

If you're someone who enjoys working outdoors, solving hands-on challenges, and keeping essential services running for an entire community, this is a career where your work truly matters.

What You'll Do

- Install and maintain water service lines, valves, meters, and fire hydrants.
- Maintain and repair the City's water and sewer infrastructure.
- Assist with water treatment and pumping operations.
- Operate equipment and perform light mechanical repairs.
- Conduct water meter testing and quarterly meter readings.
- Assist with sewer maintenance, lift stations, and jetting operations.
- Respond to utility emergencies and help keep critical services operating safely.
- Work both independently and as part of a skilled, supportive team.

What You Bring

- High school diploma or equivalent.
- Three years of experience in utilities, construction, plumbing, equipment operation, Public Works, or a related field.
- A strong work ethic and commitment to safety.
- Mechanical aptitude and the ability to solve problems in the field.
- Ability to work outdoors in all weather conditions.
- Pride in delivering quality work and serving the community.
- A willingness to learn new skills and earn professional certifications.
- A valid driver's license.
- Ability to obtain a Wisconsin CDL with Tanker Endorsement and Wisconsin Waterworks Operator Certification within one year of hire.

What Sets This Role Apart

- \$30.24/hour starting pay.
- Three-day weekends with a four-day workweek.
- 5% pay increase after earning your Waterworks Operator Certification.
- Meaningful work that keeps Middleton's water and sewer systems operating safely.
